

1. Introduction – More Than an NFT

ALUXE NFTs PASS is not a traditional crypto project. It is a **place**, a **lifestyle** and a **community**.

Located in Celestún – Sisal Beach, Yucatán, ALUXE connects boutique hospitality, nature and Web3 technology to create meaningful real-world experiences.

Each ALUXE NFT PASS represents a guardian and a digital identity linked to physical experiences.

2. ALUXE Philosophy

In a fast-paced world, ALUXE proposes a return to the essentials:

- Time
- Nature
- Community
- Meaningful experiences

Web3 is not the end, it is the means. Technology enables transparency, belonging, and continuity.

3. The Place

A natural sanctuary between the jungle and the sea designed as a luxury eco-refuge.

4. ALUXE NFT PASS Collection

- Limited Supply: 550 NFTs
 - 200 NFTs - Private-sale
 - 137 NFTs - Pre-sale
 - 213 NFTs - Public-sale
-
- **Art:** 3D unique characters inspired by the Aluxes, mythical mayan guardians
- **Blockchain:** Polygon

Each NFT is a piece of digital art and an experiential pass.

5. Real Utility

Access nights according to Tier level, multiple fun and unique experiences, excellent community. Book in and reservations at the web page.

- Priority bookings
 - Exclusive discounts
 - Included nights (depending on Tier)
 - Curated activities
 - Gated community
-
-

6. Community

ALUXE is an international community of people who value:

- Traveling differently
- Design
- Nature
- Technology with purpose
- Saving

A global lifestyle-driven Web3 community. Financial smart Travelers.

7. Sustainability

ALUXE is designed to last:

- Hospitality revenue
- Recurring experiences
- Resale with royalties

There is no token, no inflation. Just NFTs with clear utility.

8. Roadmap

- Concept (November 2025)
- Launch (March 2026) At OpenSea
- Growth (September 2026)

- Legacy (Until 2046)
-

9. Disclaimer

ALUXE NFTs do not represent financial value or promises of return. Their value lies in access, experience, and community. ALUXE NFTs do not represent financial value or promises of return. Their value lies in access, experience, and community.
